The 7th Annual HBANC Women's Council Spring Basket Event fosters a sense of community, competition and fun. Donated baskets are filled with household supplies, personal care items, and other themed gifts. Last years' event resulted in more that 60 baskets donated to Shepherd's Gate a HomeAid charity. Not only is this event open to members of the HBANC, it is also open to the public.

Shepherd's Gate has earned a reputation for rebuilding shattered lives. Since 1984, they have helped over 8,000 battered and homeless women and children in our backyard. These baskets will go to the women and their children who are homeless because of abusive relationships, addictions, loss of financial support and other factors.

The event also includes two **Award Winning, Fortune 500 speakers, Diane Fleck, owner of The Learning Café and Rogene Baxter, owner of The Bridgewater Group.**

Diane will discuss, **"It takes a Village - To create success."** In today's business environment it seems to be the year of the hybrid. This new way of thinking and doing business encourages collaboration, networking and creativity.

The main speaker, Rogene, will discuss, **"Creating Momentum: The Power of Intentional Choice."** A way to make choices at any given moment to increase momentum and create results. This is a message of action, both exciting and practical.

They will introduce the acclaimed **212-degree** short DVD, <http://www.212movie.com>. The theory is water boils at 211 degrees and it's that extra 1-degree to 212-degrees that turns it to steam, a completely altered state capable of powering infinite industries! Their presentation is built around this theory and creating your own 212-degree results!

HBANC member tickets are \$50 and can be purchased at hbanc.com or by calling (925) 820-7626. This extraordinary event is open to the public as well; tickets are \$75. This event will sell out!
